Some time ago, a promising young film star rose to new heights portraying a brilliant Italian-American college graduate who takes over a huge criminal empire. Now, more than ten years later, this same film star sinks to new lows portraying a sick, amoral Cuban junkie who takes over another huge criminal empire. In real life, this would be called "degeneracy." In Hollywood, this is called "progress." Anyway, here's our version of—

SCAR

This Miami iss a terrible place! Jus' look at what our countrymen are doing to each other here!

Iss much worse OUTSIDE the camp! I saw twenny-two AMERICANS killing each other! Ugg! What blood an' violence...!

They say that Fidel Castro emptied his Cuban jails of the worst criminals and shipped them here to Miami Beach...!!

There goes the neighborhood!!

WRITER: LARRY SIEGEL

Hey, Man! We're here to deliver the money for the coke pickup!

Juss a minute, Man! We ain't finished with the delivery boys ahead of you!!

Hoo-hah! I guess thiss means they don't tip!!

Remember the good old days...when kids used to eat CAKE at birthday parties, instead of sniffing coke?!

Well...at least they still hire CLOWNS!!

You done a **good** job for me, Toadie! You steek with **Rank Lopizz**, an' you gonna make it **beeg**!

tion! We're here because

bubble bath!

Yeah! But at least he
seems to be showing
some remorse for the
inexcusable life he

He's not crying! He's

I hear that in extreme
cases of addiction...
death is not necessar-

IN THE MORNING WILL
GET YOU GOING ALL DAY!

Shall I call the Bomb Squad?

No need for that! I'll simply immerse the bomb in water, rendering it harmless!

Mr. Steal, I told the insurance company to send my wife's check here. I thought it would be safer. You just flushed 2 million dollars!

Wow, talk about your royal flush!

BATHROOM HUMOR
AN AMERICAN STANDARD

Two million! Chum, you didn't get a piece of the rock, you got the whole bloody mountain!

I know it's a lot, but there was a clause in the policy that paid quadruple if my wife was killed by having her head smashed with a bat!

Mr. Cosgrove, your cup doth runneth over...

Thath, not all thath runneth over, thtupid!

When I took this job, I thought I'd be flushing out criminals, not toilets! Boy, you'd think a classy outfit like this, with a suite of offices, a chauffeur driven limo and a boss who has a bigger wardrobe than Princess Di, could afford more than one girl Friday!

MIND YOUR P's AND Q's TOO

Perhaps we ought to check your car for any explosive devices...

You'd better let me handle this!

Miss Dolt, an automobile is a complex, sophisticated piece of machinery! What is needed here is a deft, masculine touch! Ah, how does one open the hood?

Pull this lever, macho man...

PARK AND LOX

Aha, here is your bomb...

That's the distributor!

This is the bugger! Sound the all clear!

That's the carburetor!

Mr. Cosgrove, I can definitely assure you that there are no explosive devices in your car! It's perfectly safe to drive!

Well done, Mr. Steal! You're so brave risking your life to make sure there wasn't a bomb in the car...

A bomb would have done a lot less damage!

Mr. Steal, the killer struck again...

What happened, did he blow up another Muppet doll?

No, a man was **poisoned**! I poured myself a glass of Perrier and one of the guests drank it by mistake and **dropped dead**...

Look at the bright side—that eliminates **one suspect**!

Make that two suspects, Mr. Steal, there's been another **shocking murder**—he turned on the TV set and was **electrocuted**...

Perhaps he was simply **bored to death**! Have you seen any of the **new shows** this season?

It's Mr. Cosgrove! He's been **murdered**!

I really hate losing clients, especially before they pay their bill!

Moldread, would you kindly bring the **surviving guests** in here?

You are all aware that our host, Mr. Cosgrove, two guests, and his wife—were **brutally murdered**!! You all had motive and opportunity, but only **one person** was in the room when Cosgrove was killed! **Irving Mulchpile**, I accuse **you** of the murder! Don't pretend to be sleeping...

Steal, he isn't sleeping! He's **dead**! He's the man who was **poisoned**!

Hmm...of course—I was just trying to catch the real killer **off guard**! My assistant, Miss Dolt will now take over...

Thanks alot! I have an idea! Moldred bring in the **dogs**...

Surely you don't think the **dogs** did it! How could an animal swing a bat or stab a man?

On **NBC** anything can happen!

Notice how the dogs ran right to the **maid**!

Ah, yes—perhaps it's because she bears a striking resemblance to **Lorne Green**!

So does Mouldred, but they didn't go to her! They went to the **maid**! Why?

But this really isn't the maid—it's **Mrs. Cosgrove!** She murdered the maid, smashing in her head to make her **unrecognizable**, then she changed clothes with her! It was an **insurance fraud scheme** and her husband was in on it!

Of course! He **faked** those attempts on his life to **eliminate suspicion!**

Yes, but Mrs. Cosgrove pulled a **double cross** and killed him!

There's a lot of that going around! Probably has to do with the **feminist movement!**

Very clever indeed, but not clever enough to fool Remington's Steal! Hey! Uh, Lura, how did we solve this one?

Simple, Simple-minded...

Remember when, Mr. Cosgrove said his wife was the **only one** who could keep the **dogs quiet**? Well, they were in the room when he was stabbed and they didn't bark! So it had to be Mrs. Cosgrove!

Boy, if she had a **cat** for a pet instead of those mangy mutts this would have been the **perfect crime!** Lura, you really are a **fantastic detective...**

Then how come I can't find out your **real name?**

Where's the car?

I sent it away! I told the chauffeur to return in the morning...

Smashing! You know, of course, there's only **one bed** in the guest room...

I know, I know!

I didn't bring my jammies...

I never wear any...

I brung mine!

Wow! We never had neat slumber parties like this at the IRS.

This is **DR. JEKYLL!** I'm not taking any calls right now... because I never know when I'm going to have one of my spells! So I've left this message on my machine... which I really want to smash into little pieces and destroy! Once upon a time, there lived a nice Jewish girl from Brooklyn who could sing really terrific. One day, she read a story about another nice Jewish girl from Eastern Europe who dressed up like a man to study the Talmud. And the nice Jewish girl from Brooklyn immediately decided that this story would make a fantastic movie which she could produce, direct, write, sing and star in. What she ended up with was "Tootsie On The Roof." Because any girl who thinks she can be "convincing" as a man just by cutting her hair short and strapping her breasts to her chest has got to be a bit—

Hey, you—!! **Clean-shaven** one!! What's your name??

Hi, Anschure! I'm **Avadorable**, a handsome Talmudic hot-shot student! We're on our way to Yeshiva at Bachev! And you??

Well, as long as you can pass your **SAT's!**

It was **Rabbi Ben Penska**, of Minsk, who said "A men with **farfel** all over his face is **not** likely to find **gainful employment!**"

But it was **Rabbi Mensch**, of Pinsk, who said, "Just because a goat wears a **beard** does **not** necessarily mean that he is **wise!**"

True! But it was **Rabbi Scharfman**, of Krakow, who argued, "If you **pull** a man's **leg**, he will **laugh!** But if you **set fire** to his **hair**, he will **smell terrible!**"

Granted! But it was **Rabbi Veldt**, of Upper Chelm, who observed, "**One seventh** of our entire lives are lived on **Tuesdays!**"

However, it was **Rabbi Gunty**, of Lublin, who claimed, "If you **hall** a **cab** before one has been **invented**, you should be **hit hard** across the **nose** with a **breadstick!**"

Well... what do you think, Anschure?

I'm wondering if it's **too late** to join a **Monastery** and become a **Monk!**

Until we find you lodgings, Anschure, you can share my **bed...!!**

Uh... mmm ... that **won't work**, Avadorable!

Oh...? And why **not...**?

I—I've got this **neatness fetish!!** I've—I've got to **re-make the bed!!**

Okay! So **re-make the bed!!**

What are you doing???

I'm re-making the bed ... into a **BUNK BED!!**

TAP! TAP!

That's Hadassa, my Fiancee! She'll make the perfect Jewish wife! She's rich and beautiful—and she waits on me hand and foot!

But she's so quiet! She hasn't said one word all during dinner!!

Thank God, with her wealth, she doesn't have to!

Eat... EAT everybody! Finish every drop! There are children in America who are starving!

Put away the books, Anschure! Now it's time to relax and frolic!!

You relax and frolic! I'll just sit here and tense up!

No! I'm not sure what the Talmud says about "skinny dipping"!!

As the Director of this movie, I've RE-SHOT this scene ten times already! You don't think I'm having fun?

What is this feeling? My heart is reeling! My thoughts were sacred Till I saw him... Stark naked!

Should I be mingling? Why am I tingling? Oy, what a plight To be a Talmudic... # Transvestite!!

I've got bad news and good news! The bad news is: Hadassa has broken off her engagement to me! The good news is: I've decided to let YOU, my best friend, marry her in my place!

And I'VE got good news and bad news! The good news is: Yes, I'll marry Hadassa for fear of losing you! The bad news is: By doing so, I'll be breaking the ELEVENTH COMMANDMENT!

But, there are only TEN Commandments!!

You mean you never heard of "Thou Shall Not Dream Up An Unbelievable Movie Plot!"...??

Avadorable, I'm really worried about Hadassa!

Why? What about her?

I hear she's marrying me for my looks!!

You're acting so strange, Anschure!

What would YOU call asking ME to carry YOU over the threshold...?

Well... try to relax, Anschure! Remember... I'm your Bride, now! You can do with me what you will!

AM I...?

Did I do that? I guess I'm a little nervous!!

THERE!
How was

Did the

But...
all we

Right! And you're the

It's my HONEYMOON!!
I'd sure like to do
SOMETHING exciting!!

So...?
How's

Well, Avadorable... I
certainly do not possess
the exciting PHYSICAL

but I've awakened other

I would like to

Huh?
Who

So... now you
know my secret!
My name is NOT
Anschure! It's
MENTI! And I'm
not a man...
I'm a WOMAN!

And all
along, I
thought
you were
a SOFT

You're gawking! Have
you never seen a

things are quite dif-
